**DATABASES****Prevents Pandemic Nightmare**

Are you ready to take the bull by the horns if your workforce is reduced by 30% across the board, and deaths occur from the virus this fall and winter? If the answer is no, it's not too late to put together a plan (on paper, not in your head) to deal with this scenario. This document is located in the Core Database under document #607525.

**NETWORKING**

### **Grant Funding and Law Enforcement Agencies**

What percentage of your department's budget comes from grants? Please share your answers in our new informal survey. Visit the Survey section under Networking to participate.

### **CURRENT AFFAIRS**

#### **Grant - Interoperable Communications**

The Interoperable Communications grant program will assist public safety agencies in the acquisition or deployment of, or training for the use of communications systems that utilize reallocated public safety spectrum in the 700 MHz band for radio communication. To locate this grant opportunity, search keyword "interoperable" in the Funding section, located in Current Affairs.

#### **Free - Ballistic Vests**

Thousand of law enforcement professionals in the United States and around the world are working in dangerous environments and they do not have a ballistic vest to protect them. The Armor of God Project is dedicated to protecting those that protect us. This organization will recycle used ballistic vests and provide them to officers that need them. To locate this grant opportunity, search keyword "ballistic" in the Funding section, located in Current Affairs.
